

A photograph of a classic interior setting. In the foreground, there is a small, square marble-topped table with a black wrought-iron base. On the table are a coffee cup and saucer, a glass teapot, and a small plate. To the left is a yellow upholstered armchair, and in the foreground, the back of a brown textured armchair is visible. To the right is a blue upholstered chair. In the background, there is a fireplace with a dark, ornate mantel and a wall with decorative paneling.
