## PURE & SIMPLE XV

The fifteenth installment in our Pure & Simple line of drapery solids and textures introduces two new natural blend constructions. Mandurah is a classic linen-blend with a beautiful drape and Daintree is a slubbed, textural mid-weight construction with a raw silk effect. The palette is versatile, with a broad range of neutrals and pops of fresh color.

6

## SHEER CRAFT

Sheer Craft is this season's decorative wide-width sheer book, inspired by artisanal handloomed constructions. Surface texture is achieved with unique novelty yarns and techniques like fil coupe. Motifs include a host of stripes from subtle ombre to chunky boucle. Widths range from 109" for to 120", with all patterns passing NFPA 701.

7

## SHEER TEXTURES

Sheer Textures introduces a huge crop of wide-width textural sheers, from 114" to 122" wide. All styles pass NFPA 701 and range from featherweight gauzy constructions to a drapery weight micro-velvet.

8

## HOME & GARDEN VIII

Home & Garden is Maxwell's category for decorative performance indoor/outdoor fabrics. Act VIII is bold and colorful, with outdoor classics like multicolored stripes and clean canvas in saturated hues. Included are two outdoor sheers in a breezy boucle construction.

9

## HOME & GARDEN ACT IX

Home & Garden Act IX is the perfect pair-back to support the drama of Act VIII; this book of textures is a workhorse for indoor or outdoor upholstery. We've introduced new colors to two favorites from our Spring collection, Hollis and Bennington, and are debuting 3 new constructions as well. All styles are 100% Outdura solution-dyed acrylic.
